Teachers: KA, JL, TP, AR, MC, LS, SY, WH, XV
Year group: 7
Subject: Performing Arts, SEAL
Skills: Presenting Information
 Being a Team Member
 Managing Time

Project overview:

Students work together to write, produce, direct and perform their own play, to be performed to a real audience. Students selected and applied for job roles which contributed to the final outcome.

Driving questions:

- What makes an exciting play?
- How can we work together to make sure we are ready to perform on time?

Essential content:

- To understand narrative structure
- To know how to write an interesting script using the correct format
- To be able to develop characterisation
- To understand how set design and lighting contribute to the performance of a play
- To understanding and be able to employ a range of dramatic approaches and techniques
- To be able to design costumes which reflect character and are suitable for the stage
- To able to market and promote a product effectively

Student outcomes:

- Performance of play
- Process journal
- Self-evaluation essay
